Happy Spring, Bulldog Families!

With the trimester in full swing, there is a lot happening at BLMS and within PTSA. While many events and end of year highlights are upon us, we are also busy planning for next year. Read on for information about PTSA spring action at Beaver Lake.

We would like to thank **Tara Farhad** and her team of volunteers for organizing a very successful Bulldog Bingo Night on April 26! BLMS students, families and staff enjoyed a fun night of Bingo with great game prizes and raffle prizes. Special thanks to **Ms. Cho, Mr. Helgeson and Ms. Bosshart** for supporting our community events. If you missed it this year, be sure to join the Bingo fun next year.

Thank you to our community for the nominations for Outstanding Educators at BLMS. We are fortunate to have dedicated and amazing teachers throughout our school! Congratulations to our PTSA Outstanding Educator Award recipients for 2018-2019:

Mr. Griswold
Ms. Wells

This award is presented to teachers in recognition of their dedication and service to their students. A donation in each of their names was made to the Washington State PTA scholarship fund which assists students. Thank you to our winners for doing such a great job. You are appreciated.

We would like to thank **Khristie Tobler**, our Bucks for Bulldogs Grant Program Chair, and her committee members, **Jennifer Belding and Marci Bartholomae**, for successfully completing the PTSA grant program this year. BLMS teachers and staff received equipment, materials and resources to enhance classrooms and other areas in the school. Thank you PTSA Members for your generous donations to the PTSA Pass the Hat fundraiser. A list of grants will be sent to you soon. You can see all the good work our PTSA did for the school this year!

The next PTSA General Membership meeting will be **Tuesday, May 7th at 6:30** in the BLMS Library. At this meeting, we will be voting on the interim PTSA budget as well as the PTSA Board for next year. Please join us!

Mark your calendars! The Sixth and Seventh Grade Spring Fling and Eighth Grade Party are coming up **June 24th**. 8th Grade Promotion will be **June 26th**. BLMS will have a fun and celebratory week!

Thank you for your support of the PTSA this year.

Sincerely,
Mary Jo Webb & Krystl McCandlish

CHALLENGE SUCCESS

Reduce Academic Stress w/o Sacrificing Achievement

When we are too focused on grades and performance, we deny our children the time and energy they need to tackle the demanding work of growing up. In this presentation, you'll learn how you can establish a healthier home environment for your school-aged child, reduce academic stress without sacrificing achievement, and increase your child's resilience, creativity, and well-being.

This is an interactive workshop based on the **Well Balanced Student** by *Challenge Success*, a non-profit organization affiliated with the Stanford University Graduate School of Education. This presentation is coupled with opportunities for personal reflection, audience participation, and brief discussion. Parents leave with practical strategies for home and school.

HOST HOMES KING COUNTY

KING COUNTY IS IN A CRISIS

Shelter beds and resources are limited leaving young people without access to food or safe housing. LGBTQ and young people of color are at a higher risk of committing suicide, being physically assaulted, sexually exploited, and/or substance use.

BE A HOST TO A YOUNG PERSON IN NEED

The Host Homes King County program matches young adults (ages 12–24) who are at risk of becoming homeless with a caring host family within their community. Hosts provide safe, short-term housing and support to young people as they work toward becoming stable and self-sufficient.
