NOURISH EVERY MIND: Don't forget to register—and encourage friends and colleagues to attend

- Please join us to learn how our community can support the needs of students at the Nourish Every Mind Luncheon or Breakfast. Nourish Every Mind is a great way to hear first-hand from students and teachers who have benefited from Foundation programs. Click [HERE](#) to register.
- Luncheon: Thursday, May 10 at the Meydenbauer Center in Bellevue at noon. Doors open at 11 am. Parking is limited—please carpool!
- Breakfast: Tuesday, May 22 at Eastridge Church in Issaquah at 7:30 am. Doors open at 7 am.
- Thanks to our generous sponsors, 100% of donations made at the event will go directly to support students in the Issaquah School District.
- The requested minimum donation of \$150 per attendee (pledged during the event) can also be made via our monthly giving option of only \$12.50 per month.

KATERI BROW GRANTS

- The Foundation's Kateri Brow grants, which range from \$1,000 to \$10,000, grants were recently announced. These grants are named for a past superintendent of the Issaquah School District and are awarded for programs that reflect vision and innovation in education.
- The 2018 grant recipients included programs at Discovery and Maple Hills elementary schools; Maywood Middle School; Echo Glen School; and Liberty, Skyline and Gibson Ek high schools.
- Grants included the purchase of ripple tanks, which are a fundamental tool for studying two-dimensional wave behavior that is otherwise difficult to investigate interactively. The number of students taking physics at all levels has increased year after year, resulting in the need for more tanks.
- Read the full list of grant recipients [HERE](#).

DINING FOR KIDS

- May Dining for Kids! is Wednesday, May 2 will be at Corner Bakery Cafe at 720 NW Gilman Blvd.
- This is a first for the Foundation and Corner Bakery Café, which is open for breakfast, lunch and dinner.
- View the menu here: cornerbakerycafe.com/menu. Corner Bakery will donate a portion of proceeds to Foundation's Feeding Student Success program, which combats hunger in schools.
