Dear Families,

It's hard to believe we've almost made it through the first month of school — we hope the transition from summer vacation to school schedules and homework has been a smooth process for all!

Your PTSA is off and running and planning our fall events with much of the help coming from many of you!! Already this year, we've called upon volunteers to help with many programs including Bulldog Business Day, Back to School Lunch for the teachers and staff, First Day of School Schedule Handouts and so much more. Thank you to all our volunteers!

To help keep these and many other programs going within the school, we continue to promote and ask our Bulldog families to support our "Pass the Hat" fundraiser. Our "Pass the Hat" fundraiser is the PTSA's only fundraiser and separate from the ASB Popcorn & Cookie Dough fundraiser that was recently launched. While the ASB fundraiser will help pay for student-focused activities including after school clubs, sports, and assemblies, the PTSA is focused not only on student events such as Trivia and BINGO nights, but also on needs within our kids' classrooms that are not otherwise funded by the district or state through our Bucks for Bulldogs grant program.

If you haven't already, please consider donating to this cause by visiting our website: <u>http://www.beaverlakeptsa.org</u>. We are currently in the process of accepting Bucks for Bulldogs grant applications from teachers and staff for programs/items that are not otherwise funded. Thanks to generous donations from our BLMS parents, many teachers have taken advantage of this great program. Over the past few years, well over \$75,000 in grants have been given to BLMS from the PTSA – a very significant impact for our students and our entire BLMS community!

To hear more about what the PTSA has planned for this year and to learn how you can get involved, please join us at our General Membership Meetings held throughout the year. The first meeting is set for Tuesday, October 2nd at 9:30am in the BLMS Library. In addition to PTSA news, you'll have an opportunity to hear what's happening in our school from our principal, Stacy Cho. We will vary the GM meeting times during the year with both morning and evening events. By doing so, we hope you can join us for the ones that fit your schedule.

Thank you for your support! Kindest regards, Krystl McCandlish and Mary Jo Webb PTSA Co-Presidents

SEND STUDENT VIDEOS & PICS

This year we would like to share pictures or short (30 seconds or less) videos of our students doing those things they enjoy outside of school. We'd love to see them engaged in their hobbies, community service projects, athletics, recitals, etc. These will be placed in the morning and lunchtime presentations we share with our students daily.

Please send us electronic copies of your photos or short (30 seconds or less) videos of your students engaged in these activities. Send to: <u>helgesonl@issaguah.wednet.edu</u>.

ATTENTION PARENTS!!!

This year, 6th and 8th graders will be asked to complete the Healthy Youth Survey on October 10th. This survey asks questions of students regarding risk factors for injury, health outcomes, and drug and alcohol abuse. Schools, communities, and state and local health departments use survey results to support our youth and reduce their risks. The Healthy Youth Survey is voluntary and anonymous.

We sent home information regarding the survey on September 19th with your student. Please review the information and contact Lane Helgeson <u>helgesonl@issaquah.wednet.edu</u> if you have any questions.
